- ~Smart meter installation 95% complete.

What did one
raindrop say to
the other?
"Two's company,
three's a cloud!"

Play Your Part...Be Water Smart

Instead of pouring clean water down the drain, use it to water your indoor plants or garden.

Check for toilet leaks by adding food coloring to the tank. If you have a leak, the color will appear in the bowl within 30 minutes. (Flush immediately to avoid stains.)

Repair dripping faucets by replacing washers. One drop per second wastes 2,700 gallons of water per year!

Instead of using running water to thaw meat or other frozen foods. Defrost food overnight in the refrigerator.

Avoid flushing the toilet unnecessarily. Dispose of tissues, insects and other similar waste in the trash rather than the toilet.

REMINDERS:

- ~ Turn off your customer valve when you leave your home for an extended amount of time.
- ~ Board Meetings are held every 2nd Wednesday of the month.
- ~ Sandbags are available at the district office. (10 per customer)
- ~ Leak Rewards: When you report a leak, you will receive a \$25 gift card to your choice business in town.
- ~ Bluebird nest boxes are available at the district office. (1 per customer)
